Validation Done On Form :

The screenshot shows a web browser at the URL `localhost:4200/auth/register`. The background is a blurred image of a restaurant interior with warm lighting. A dark, semi-transparent modal is centered on the screen, titled "Register". It contains the following fields and validation messages:

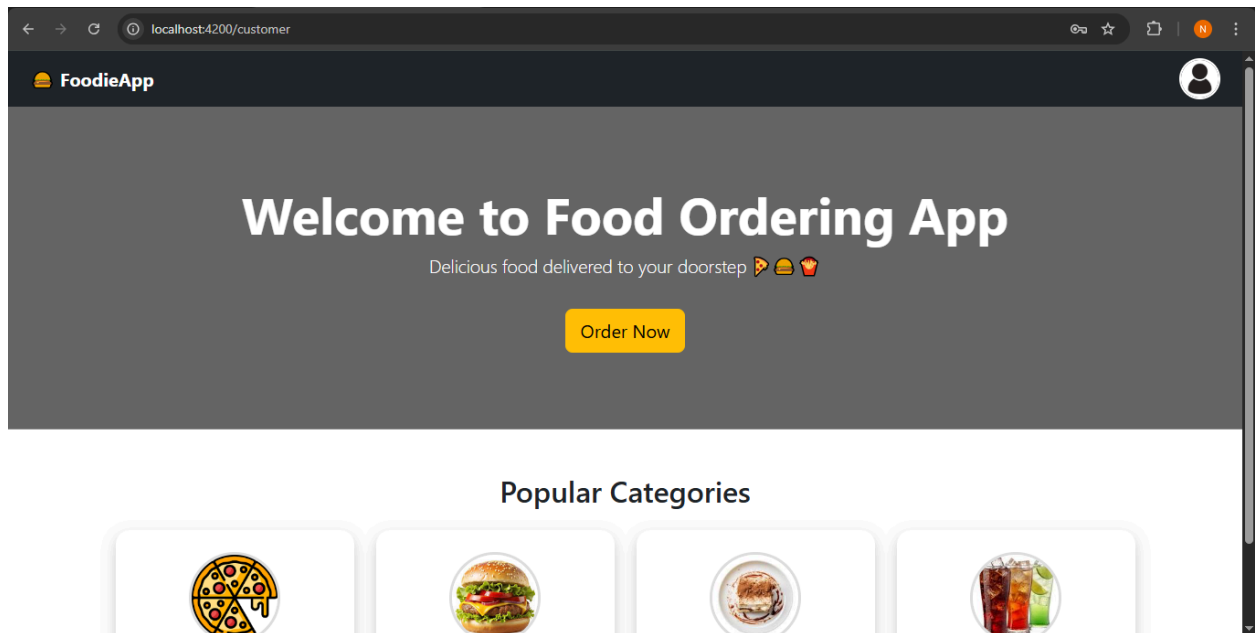

- Full Name:** Input field contains "aa". Below it, a red error message reads: "Name must be at least 3 characters".
- Email:** Input field contains "wq". Below it, a red error message reads: "Enter a valid email address".
- Password:** Input field contains two dots. Below it, a red error message reads: "Password must be at least 6 characters".
- Phone Number:** Input field contains "as". Below it, a red error message reads: "Enter a valid 10-digit phone number".
- Role:** A dropdown menu is open, showing "Customer" as the selected option.
- Register:** A button at the bottom of the form.

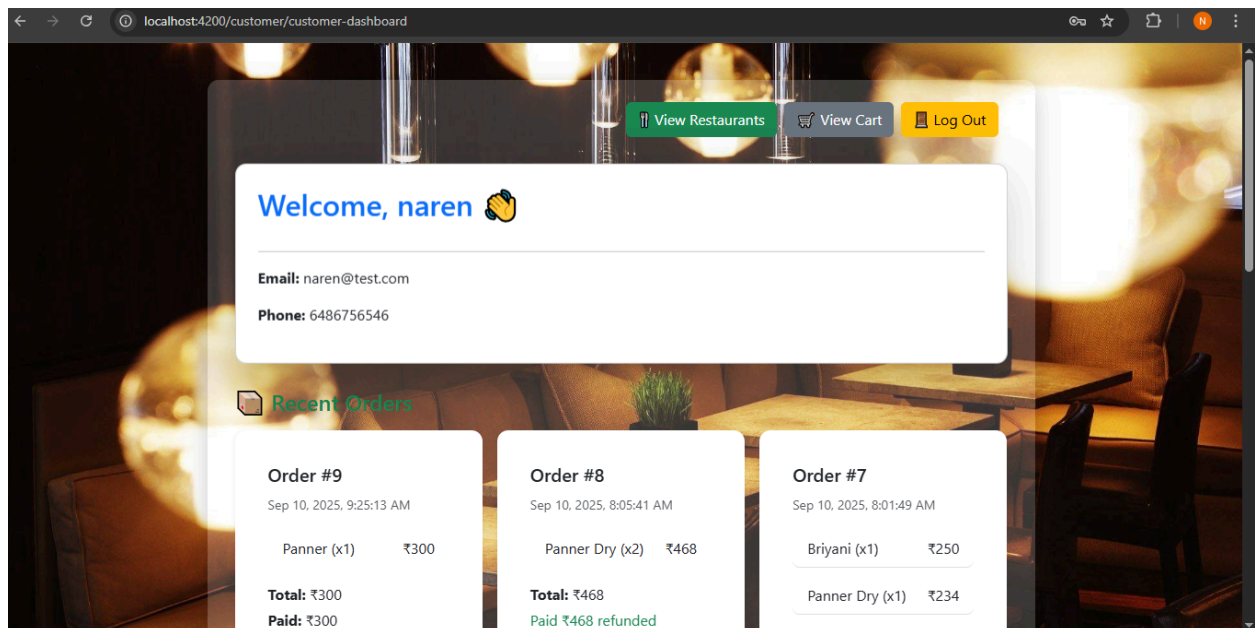

The screenshot shows a web browser at the URL `localhost:4200`. The background is the same blurred restaurant interior. A dark, semi-transparent modal is centered on the screen, titled "Login". It contains the following fields and validation messages:

- Email:** Input field contains "a". Below it, a red error message reads: "Enter a valid email".
- Password:** Input field contains one dot. Below it, a red error message reads: "Password must be at least 6 characters".
- Login:** A button at the bottom of the form.
- Don't have an account? [Register here](#)**: A link at the bottom of the modal.

Cart Page with each restaurant item separately:

Checkout Page :

Payment Page :

The screenshot shows the 'Payment' page of the FoodieApp. The browser address bar indicates the URL is localhost:4200/customer/payment. The page has a dark blue theme. At the top, there is a navigation bar with the app name 'FoodieApp' and links for 'Home', 'Restaurants', 'Cart', 'Orders', and 'Dashboard'. The main heading is 'Payment'. Below it, there is an 'Order Summary' section with a table listing items: 'Briyani x 1' for ₹250 and 'Panner Dry x 1' for ₹234, with a total of ₹484. Underneath is the 'Select Payment Method' section, where 'Cash on Delivery (COD)' is selected in a dropdown menu. A green button labeled 'Pay / Place Order' is at the bottom.

Select Payment Method

Cash on Delivery (COD)

Pay / Place Order

This screenshot shows the same 'Payment' page but with 'Credit/Debit Card' selected as the payment method. The 'Order Summary' remains the same. The 'Select Payment Method' dropdown now shows 'Credit/Debit Card'. Below the dropdown are three input fields: 'Card Number', 'Expiry MM/YY', and 'CVV'. The green 'Pay / Place Order' button is still present at the bottom.
